Forecast for Thursday 26 Nov 2020

Weather: A scattering of showers in the early hours, with sleet or wet snow on the summits, dying out before daybreak. The day then dry, some good sunny spells on the hills. Fog banks may affect some access roads, notably around Carlisle and down the Eden Valley.

Chance of cloud free mountain/hill tops above 800m: 20% in early hours but improving 80% or more in the morning.

Visibility: Briefly poor in wintry showers on the tops in the early hours. During the day very good on the felltops, but very poor in some of the valleys and dales.
